

BEVERLY HILLS | SCOTTSDALE

# ABOUT PHX

PHX Architecture is a strong team of diversely talented professionals joined together by a common passion for detail and inventive design.

Our design concepts continually evolve, conform, and most importantly – respond to each projects unique characteristics. Our team defines “Living Architecture” as a space that harmoniously combines site, form, functionality, and the human scale, creating the connective link between the surrounding environment and the client’s goals and vision.

"I LIKE TO CREATE AWE AND DELIGHT. I ALWAYS ENJOY AN ELEMENT OF SURPRISE IN THE DESIGN THAT THE CLIENT DOESN'T REALIZE UNTIL THEY OCCUPY THE SPACE."

ERIK B. PETERSON, PRESIDENT

"

# ERIK B. PETERSON

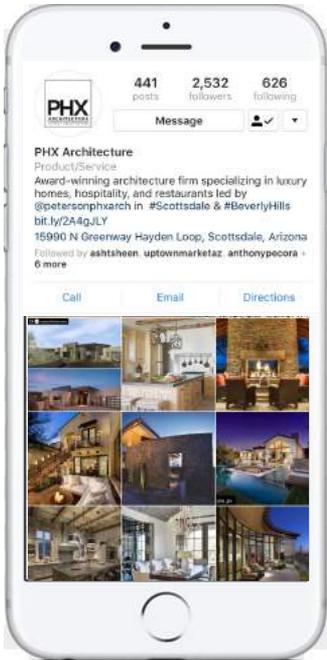

Erik is licensed in Arizona, Idaho, Texas, Hawaii, Nevada and California. He also has attained his NCARB certification giving reciprocity for any state license.

Originally from the Chicago suburbs, Erik received his Bachelor of Architecture degree at Iowa State University in 1993. He completed his Master's degree at Arizona State University in 1996. Erik was awarded the American Institute of Architects Young Gun Award and was recently named Master of the Southwest by Phoenix Home & Garden Magazine in 2014. He has been named Best Architect from AZ Foothills Magazine and No. 1 in the Phoenix Business Journal Book of Lists for Architecture Firms.

The logo consists of a dark gray square with a white border. Inside the square, the text "PHX" is positioned above "PROCESS". Both are in a white, bold, sans-serif font. "PHX" is centered and "PROCESS" is wider, starting from the same left margin as "PHX".

PHX  
PROCESS

# SITE SELECTION

---

PHX Architecture assists clients in selecting an appropriate site for the project. Whether the goal is to capture views, attractions, or clientele, PHX Architecture will find the best location to fit the projects needs as well as the clients satisfaction. From where the sun rises and falls, to the views realized from every window location, site planning maximizes the potential of a chosen location.

# ARCHITECTURAL DESIGN

---

PHX Architecture is knowledgeable and experienced in all aspects of architectural design and specialize in a wide range of building styles and types. Most importantly, we are committed to delivering the highest architectural standards — on schedule and on budget.

# CONSULTANT COORDINATION

---

Spectacular architectural design requires highly qualified tradesmen, craftsmen and artisans to ensure that every phase of the construction process is performed to specification. PHX Architecture works closely with each sub-consultant to coordinated schedules and project deadlines to maintain a healthy and efficient working environment.

# RENDERINGS, MODELS, 3D, CAD

---

PHX Architecture provides hand rendered sketches for the client to understand and experience the design. Each rendering and view captures an artistic vision of the projects aesthetic qualities, character, and use. These professional renderings can be used in marketing and promotional materials, publications, trade show displays and online usage. PHX Architecture can provide print- ready digital image files and archival storage in common image file formats.

# SPACE PLANNING

---

Space planning is understanding how people live, move, and interact with each space. Architectural spaces can be flexible, open, and adaptable while others can be intimate, private, and exclusive. By understanding the clients current needs, as well as, potential future use for the space, is the difference that makes ordinary space planning — exceptional space planning.

# ARCHITECTURAL INTERIORS

---

PHX Architecture's interior design professionals use research, planning and programming to create enjoyable spaces for the clients satisfaction. The goal is to design spaces that will comfort and inspire others while maintaining the client's unique sense of style.

# PROGRAMMING

---

Research and planning are key components to achieving a successful feasibility study. PHX Architecture provides a thorough outline, comprehensive financial plan and a clear overview of the projects requirements.

# CONSTRUCTION ADMINISTRATION

---

PHX Architecture teams work with project consultants and the contractor to review progress, review samples and submittals, and perform periodic site observations in order to maintain project quality throughout the construction phase.

# RESIDENTIAL | COMMERCIAL

**SCOTT CARSON**

PRINCIPAL

Scott is licensed in Arizona, Colorado, Texas and New York. He also has attained his NCARB certification. Recently, Scott founded and is Co-Chair of the Arizona Chapter of the Custom Residential Architects Network, a national organization of design professionals specializing in residential architecture.

A highlight of the home is a “man cave” which boasts a golf simulator and bar with access to a secret garage and a gorgeous wine room.

### SPECIAL FEATURES

- Dual masters on the second floor
- Upper level Garage
- Two additional guest suites
- Elevator
- Theater room, billiards room, and rec room

## DESERT HILLSIDE CONTEMPORARY

This desert contemporary home is nestled off of Desert Fairways near Paradise Valley Country Club. The 9,901 square foot, 2-story home is a true entertainers paradise. A highlight of the home is a “man cave” which boasts a golf simulator and bar with access to a secret garage and a gorgeous wine room.

### SPECIAL FEATURES

- Dual masters on the second floor
- Upper level garage
- Three bedrooms with in-suite bathrooms on the first floor
- Two additional guest suites
- Elevator
- Theater room, billiards room, and rec room

## RED ROCK MODERN

This 7,500 square foot modern home was designed to sit gently in the red rock landscape and over the top of two washes. . The homes 3 bedrooms, living room and dining room all sit on the north side of the gallery allowing for uninterrupted views of the stunning red rocks that Sedona is known for.

### SPECIAL FEATURES

360 Red Rock Views  
Zero Edge Swimming Pool  
Large Covered Patios

## DESSERT CLASSIC

This 8,800 square-foot, modern yet classic Mediterranean estate was a new build designed for a hillside lot in the Sonoran Desert. The look and feel of the home was created by pairing the home's traditional massing with modern elements. The four bedroom, five-bathroom residence—designed in collaboration with Rebecca Salcito Interiors—showcases stunning desert views and distinctive city lights below.

### SPECIAL FEATURES

- Pocketing Pass-Through Windows
- Luxurious Entry Foyer
- Infinity Edge Swimming Pool
- His and Her Offices with Matching Views

## SCOTTSDALE CONTEMPORARY

This recently completed home can be seen in the Spring 2014 edition of Modern Luxury Scottsdale Magazine. This contemporary home fits in with its surroundings in the Desert Mountain Community and was designed to incorporate the beautiful desert views. At nearly 6,000 square feet, this home hosts four spacious bedrooms, and plenty of amenities for entertaining.

### SPECIAL FEATURES

Theater Room  
Indoor/Outdoor Bar

PARADISE VALLEY  
MEDITERRANEAN

This 5,200 square foot Paradise Valley Estate features a master suite with large his and hers closets and a master patio and two guest bed and baths. The estate offers stunning views of Camelback Mountain and plenty of space for outdoor entertaining.

**SPECIAL FEATURES**

Guest House  
Cabana and Pool  
4-Car Garage

## THE RETREAT MIRAVAL RESORT & SPA

PHX Architecture designed 10 new contemporary resort villas with stunning views of Mt. Lemmon. The new villas include two 3,120 sq ft, 3-bedroom villas with a pool just off the master suite and guest suites with fireplaces. Each villa has five fireplaces, open floor plan, a bedroom/bathroom spa, and a fountain.

J.W. MARRIOTT  
DESERT RIDGE

PHX Architecture completed a major renovation of the JW Marriott Resort in Desert Ridge that included a complete lobby and bar re-design. The new contemporary look adds semi-private, but airy, sitting areas. The bar features a wine wall and multiple TV's while the redesigned patio allows for relaxing outdoor sitting with gorgeous mountain views.

L'AUBERGE  
SEDONA

A destination all its own, L'Auberge Restaurant on Oak Creek was named "One of the Top Ten Restaurants in the Southwest" by Condé Nast Traveler. The Restaurant underwent a major renovation and the kitchen received a complete remodel and expansion. The bar and dining areas also received makeovers and guests are greeted with a new arrival and lobby check in experience as well as redesigned guest rooms and suites.

## MIRABEL CLUBHOUSE

PHX Architecture designed the renovation and expansion of the existing Sonoran Health and Wellness Clubhouse facility located in the Desert Mountain Community. The final plans for the project added 17,500 square feet of new usable space to create a total building area of 42,000 square feet. The improvements included a casual, quick serve café concept. The Sonoran Clubhouse was honored with a 2017 Gold Nugget Award.

## MIRABEL CLUBHOUSE

PHX Architecture designed the Stone Canyon Clubhouse in Oro Valley, Arizona. The Clubhouse is a new 25,600sf two level golf course clubhouse for the use of Stone Canyon members. The main level contains a dining room, kitchen, private dining room, pro shop, offices and restrooms. The lower level has a supporting lounge and locker rooms, administrative offices and a cart barn. The clubhouse has won awards from Golf Inc. Magazine, GolfWeek, and Golf Digest.

## D.C RANCH CLUBHOUSE

Through a carefully-executed expansion of 1,975 sf, and the renovation of an additional 5,550 sf of existing interior space, the updated clubhouse now has the capacity and flow to accommodate a wide range of dining and member events. The clubhouse received the 2015 Clubhouse of the Year award from Golf. Inc. Magazine.
