## PHX ARCHITECTURE

Based in Scottsdale and Beverly Hills, PHX Architecture specializes in Luxury Residential, Golf Clubhouse, and Residential design. Our design concepts continually evolve, conform, and most importantly—respond to each project's unique characteristics. Our team defines "Living Architecture" as a space that harmoniously combines site, form, functionality, and the human scale, creating the connective link between the surrounding environment and the client's goals and vision.

### DESIGN SURPRISES

White cabinetry surrounded by the warm-pink tones of the walls, gives the kitchen an added charm. The wooden flooring and ceramic tiled back wall are a nice addition to complement the overall aesthetic.

### MARBLE ISLAND FANTASY

A dream white kitchen with neutral tones and gold accents that rounds up to a perfect modern feel centered around a lavish white marble island. Decorated with cloth farm-house style stools and minimalist black and white chandeliers.

### ATTENTION TO DETAIL

With details and the client in mind, this mesmerizing stairwell coils all the way up to the top of this gorgeous waterfront home on Lido Island.

### COIL WITH STYLE

A perfect spot to showcase a beautiful sculpture nestled under the staircase's elaborate curve. A calm and simplistic section that helps guide the eye.

### BATH + LUXURY

Step into this gorgeous bath with a white tile floor, metallic tub, and glass shower doors. Absolutely stunning and pleasing to the eye, it's a perfect space to get ready for the day.
